UpToDate offers thoroughly researched recommendations and updates that may change usual clinical practice through our **What's New** and **Practice Changing Updates** feature. These updates represent, in our editors' view, the most important new information added in recent weeks.

Accreditation with Commendation to Further Physician Learning and Change

Offering CME since 2000, UpToDate received the highest accreditation status by the Accreditation Council for Continuing Medical Education. The total number of individual and enterprise subscribers processing CME, CE, and CPD in the United States grows every year.

Saving Time and Lives

According to researchers at Harvard, hospital adoption of UpToDate is directly associated with saving:

11,500
Lives (over a three-year period)

372,500
Hospital days (per year)

When seeking out medical information to treat patients, go with the most trusted, the most recommended, the most valued.
